Oval Based Poster Stand

A double-sided floor stand, composed of a silver / black aluminum frame, 2 anti-glare PET covers and an oval steel base.

A black PVC sheet is included to prevent light transition between the 2 posters.

Poster updating is quick and easy. Simply slide out the old graphics, then slide in the new one between the protective black sheet and poster cover sheet.

Sidewalk Sign

Vista's double-sided poster sign for indoor and outdoor use includes Silver / Black aluminum finish Snap frame that allows quick and easy graphics update.

A Black durable water base keeps the sign in place in outdoor wind conditions (made of High-Density Polyethylene). Fill it with water or sand to increase weight and stability.

Snap open

Vista's sidewalk sign is a great solution to attract crowd's attention in front of markets or restaurants and at events such as conventions weddings or other parties.

Includes wheels for easy mobility.

TM-M000N24UTW-U	24x36"	23.6x35x6"	Silver

Heavy-duty coil springs resist strong winds and return the sign to an upright position

Rigid Poster Stand

Cost-effective easy-to-use poster stand made of an aluminum base that can accept rigid poster boards such as PVC foam panels, with thickness between 5 to 10mm (0.20" to 0.39").

For indoor use.

Mostly used in shopping malls, seminars, clinics, banks, restaurants and more.

Adjust the fixing nut at the bottom to fit your poster width. To change the poster board, simply loosen the nut, remove the current graphics place the new one and fasten the nut again.
